## OTMDC Challenge Yields \$75K for Olde Towne

Hosted by the Ford's Colony Men's Golf Association, the Tournament and the Resident's Campaign was a great success with the proceeds reaching \$75,000 to benefit the patients of Olde Towne. Once again, the residents and players of the community came together in support of Olde Towne as the center is continuing to be a necessary resource for medical and dental services of the residents and workforce of greater Williamsburg. The Tournament committee would like to thank the many sponsors for their support of this year's tournament and campaign as well as the volunteers that made the day a success.
